## COURT HOUSE NEWS

After 16 hours deliberation the jury returned a verdict of guilty against Alfred Apfin, charged with selling intoxicating liquor to Pearl Laverly. The jury went to the jury room at five o'clock yesterday afternoon and were unable to agree on a verdict, 9 standing for conviction and 3 holding out for acquittal. At 1:30 a. m. they retired, being hopelessly unable to reach a unanimous verdict. This morning, however, they arose with one mind and at 9 o'clock the jury asked to report. They surprised the entire court room by stating that they had reached a verdict. The foreman said "guilty," and the other eleven said "so say we all."

The jury in the case of Earl Smith against E. L. Kappahahn and Arthur Hengas, as the Capital Garage Co., returned a verdict awarding the plaintiff damages in the sum of \$30 for a personal injury alleged to have been sustained when an auto truck turned over with a auto returning from a dance at Fratum.

The case of Benton B. Short against George A. Etzel was called in the circuit court this morning in department No. 1. This is an action for damages of \$200 brought by the plaintiff who alleges failure on the part of the defendant to adhere to the terms of a contract for the sawing of some lumber. W. C. Winslow appears for the plaintiff, S. H. and J. G. Helzold represent the defendant.

Samuel Beust, a farmer of Frankfort, Kansas, aged 75, and Mary J. Gay, of this city, aged 71, secured a marriage license at the office of the county clerk today. John D. Vetter, a blacksmith of Oregon City, and Abbie Gosser of Mehama, likewise secured a marriage license.

A suit for divorce was filed in the circuit court today by George W. Herzhack against Helen Herzhack. The couple were married in Salem in 1911 and have two children, Hazel Herzhack, aged three years and one more. The husband alleges that his wife deserted him in 1914.

A suit was filed in the circuit court today by A. J. Barham and Laura M. Barham against G. F. Morris and others.

## DEPUTY SHERIFFS KILL ST. LOUIS WOMAN

### Mistook Auto Party for Robbers and Fired Without Asking Questions

Tucson, Ariz., April 12.—Mrs. J. S. Bates, former St. Louis society girl, was shot and instantly killed by two deputy sheriffs and a policeman while returning from the theatre here last night. Accompanied by her husband, Captain Bates of the United States marine corps, the pair were mistaken for robbers.

Deputy Sheriffs Joe Wiley and Tom Johns, and a policeman named Salazar, on their way to investigate a reported robbery, fired at Bates' car. Three bullets entered Mrs. Bates' body. She died instantly.

According to one report it was alleged that the three officers saw the Bates machine coming and opened fire without calling to the occupants to stop.

Indignation reached a high stage, and it was feared here today that there might be an attempted lynching.

Two deputy sheriffs are in the penitentiary on ten years sentences, and one city policeman is in the penitentiary for highway robbery.

Captain Bates is well known here and wealthy. Mrs. Bates was Miss Walsh, a well known society girl of St. Louis.

The men who did the shooting are held under heavy guard.

### JOY RIDER WARRIORS PAGES SERIOUS CHARGE

Portland, Ore., April 12.—A charge of assault with intent to kill probably will be filed today against A. C. Warriner, driver of the automobile which Sunday ran down and permanently disabled Mrs. Henry Beckman, on Columbia river highway. District Attorney Evans does not think the ordinary statute against reckless driving carries a penalty stiff enough to cover the case.

The Heppner Gazette-Times was 22 years old last Thursday. It was founded 11 years after the town of Heppner and five years before the railroad came. Editor Crawford says: "We are still firm in the belief that we are living in a community that is destined to come into its own before long."

To recover \$1,000 alleged due on a note. In addition the plaintiff seeks to recover \$100 attorneys fees and costs.

## BASEBALL SEASON IS OPENED IN THE EAST

Estimated at Least 150,000 Will See Opening Games ---Weather Threatening

New York, April 12.—This afternoon Mr. Average Citizen's eye took on a restless look. He fidgeted and squinted. Then with the best available excuse he grabbed his hat and overcoat, dropped into the next office, picked up Miss Average Citizen and started for the ball lot.

Between 150,000 and 175,000 of these individuals were expected to elick the turnstiles at the big league parks today.

After the gentlemen in silk hats have tossed the opening balls, for months to come the great American question will not be "have the taken 'tilt" or "did Verduin fall?" but "what's the score?"

Interest in Pershing's flying column will yield to news of long flies bringing runners home from taird with the winning tally. The German crown prince's "nut cracker" will yield to its great American forerunner called the "squeez."

Three hundred players at a collective salary of \$5,000 a day are ready to start the peatining. An army of newspapermen and telegraphers is prepared to cheer the scores across the land.

Play ball! In three cities the weather was threatening. Elsewhere it seemed likely that the opening games would be blessed with sunshine in wholesome quantities.

The Boston weather prognosticator announced an unsettled condition. Showers were predicted at Chicago and at Cincinnati the sky seemed likely to burst into tears at any moment.

Chase to Join Reds. San Jose, Cal., April 12.—Hal Chase, star first sacker, is speeding towards Cincinnati today prepared to join the Cincinnati Reds. Just before he left here, Chase received word from Cincinnati that his entire contract with the Federal league, which calls for a salary of \$8,000 a year had been taken over by Cincinnati.

Tris Not Acquired. Cleveland, Ohio, April 12.—Tris Speaker, newly acquired outfielder of the Cleveland Americans is not entirely "acquired" yet. He and James C. Dunn today continued their negotiations regarding the matter of Speaker's contract with every prospect of a conclusion that will please the Cleveland fans.

While nothing has been given out by Dunn, it is understood that a salary satisfactory to Speaker has been agreed upon and that it will be higher than \$10,000. Speaker's quarrel is not, however, with the Cleveland club which purchased him from the Boston Americans. He is trying to force President Lannin of Boston, to pay him \$50,000 of the purchase price paid by Cleveland for Speaker's release. Lannin refused to entertain the suggestion, however.

Landed on Lahn. Baltimore, Md., April 12.—Batting Lahn today looked like he had encountered a sawmill as the result of his round-bout with Kid Williams here last night. Williams battered his opponent unmercifully throughout.

Women Golfers Play Today. San Francisco, April 12.—Women golfers of California had their lining today when the Sequoyah Country club began its invitation tournament for women, the first of the year on the coast.

The best women players of the bay section participated and Mrs. A. R. Pommer, Mrs. Max Rothschild, Miss Edith Chasebrough and Mrs. C. F. Ford were the favorites. All of these have been playing at the top of their game and are expected to furnish a series of close matches.

Murray Meets Sommers. Portland, Ore., April 12.—Eight fans were convinced today that "Fighting Billy" Murray, the Sacramento middleweight is a diplomat. He fought a careful draw with Al Sommers, the Portland "hope" last night. Murray apparently did not extend himself, though the milling was exciting at several stages. Because he didn't defeat Sommers decisively, Murray probably will get another match.

Season Opens Friday. Seattle, Wash., April 12.—The college baseball season will open in Seattle Friday. The University of Oregon ball tossers are scheduled to take on the University of Washington in the first clash of the year.

The Oregon boys triumphed the Centalla team yesterday afternoon, 10 to 1.

Batteries at Chicago. Chicago, April 12.—When their honors the umpire announce batteries for this afternoon's opening American league game between Detroit and the White Sox here the fans on the flying line will probably be Russell and Schlie for Chicago, Covaletski and Stange for Detroit. Zoh Terry, a Californian, will appear at short for the Sox. He is the only new face in the lineup.

Leaders in Philadelphia. Philadelphia, April 12.—Alexander and Burns will probably do the honors for Philadelphia today in the opening game, while Jeff Torrance and Bartlett are to be in the pants for the Giants. A lesser band will be on the job in town things up. Twenty thousand fans are expected to witness the flag raising.

The old Romans who yelled with glee to see some unfortunate individual hanged by the wild animals felt no more joy than Vernon fans when Ping Bodie croued at the critical moment.

All depended on Ping's endog and like Casey he struck out. Ben Berry sat in a box and saw him do it. Then they carried away Ben's nervous perspiration in the old oaken bucket.

## Fight Reported But All Details Are Suppressed

(Continued From Page One.)

### Movements Suspicious.

San Antonio, Texas, April 12.—Movements of Carranza troops in northern Mexico, and the activities of various Mexican politicians all causing considerable anxiety at army headquarters here, it was learned today on the highest authority.

Although details of the constitutional troop movements have not been made public, it is understood that General Elias P. Calles conducted a large force southeast of Douglas, Ariz., and that General Gomez marched westward with a heavy column northwest of Casas Grandes.

In order to save nearly 300 miles of communications, General Funston has prepared detailed plans for moving the army base to a point near Presidio. A move has been made yet. The project is merely under consideration.

### Villa, Still Wounded.

Washington, April 12.—General Alvaro Obregon sent a cablegram to the Mexican embassy here today declaring Francisco Villa had entered the mountains, wounded, with fewer than 100 men. The report was based on official dispatches received by Obregon.

Ambassador Elihu Arredondo received an official report that the Arizona brothers had again assured Provisional President Carranza of their loyalty.

It was learned here that the army quartermaster at El Paso shipped four car loads of oats and five car loads of hay over the Mexican Central railroad to Consul Letcher at Chihuahua City for distribution to United States troops. The shipment was made yesterday.

### Notes of the Games

New York, April 12.—Clyde Milan, the third man to face Ray Caldwell of the Highlanders here today, picked on the first ball served him and hammered it to this distant prairie for a home run, Washington's first tally.

### Batteries at Chicago.

Chicago, April 12.—When their honors the umpire announce batteries for this afternoon's opening American league game between Detroit and the White Sox here the fans on the flying line will probably be Russell and Schlie for Chicago, Covaletski and Stange for Detroit. ## ALL GAMES PLAYED TODAY AS SCHEDULED

New York, April 12.—Baseball arrived today, took off its hat and decided to stay a while. The crack of bats of the U. S. A. resembled the snapping of machine guns before Verdun and horse hide pellets showered in the out meadows like shrapnel while thousands of fans split their waists out cheering and the stock tickers clicked on solitary and unnoticed.

Although the weather fiend mumbled of weeping skies in some quarters, all the games occurred as per schedule. Up Philadelphia way they had some chill gales but 12,000 pilgrims were in the stands to see Larry Doyle score the first big league run of the season when he singled, got to third on Fletcher's single and slid home on Benny Kauff's perfect sacrifice fly, giving the Giants the jump on Philadelphia. It happened at exactly 3:12 p. m.

The Claude Milen, of Washington, went the credit for the first home run of the year. He slammed the first ball Caldwell of the Highlanders offered him, and it way, way out California way and circled the sacks. There was considerable applause and all present agreed that these were history making days.

Cincinnati and Chicago boasted of crowds 25,000 strong. Over in Brooklyn, a settlement near here, Magee of Boston, won a laurel wreath by smacking out a triple in the second.

## Margolis Retires From Caplan Defense

Los Angeles, Cal., April 12.—Jacob Margolis retired from the defense of David Caplan, alleged dynamiter, today and left for his home in Pittsburg.

A difference of opinion as to the policy of the defense of Caplan led to a break between Margolis and Nate Coghlan, chief of the defense counsel.
